You make it possible!

The Women of St. Stephen's provide financial support to local organizations using funds raised from the May Fair House and various Women of St. Stephen's events. These are the grants made in 2023.

If you know of an organization who would be interested in applying, please let them know that the application will be available on our website in August 2024. If you are interested in learning more about the Women of St. Stephen's grants committee or how you can help with next year's process, please contact Pat Hartsock or Liz Brown, woss@ststephensRVA.org.

Thank you for your patronage of the May Fair House. Your support allows us to continue to invest in our community.
